Instructions:

1. Submit photos of existing conditions.
2. Provide nine (9) copies of plans (drawings or sketches) with sufficient elevations to show the architectural design of the building (both before and after the proposed work is done in the case of altering, renovating, demolishing or razing a building or structure), including proposed materials, textures and colors. Examples of permitted architectural styles are shown on the following pages.
3. Provide nine (9) copies of a site plan (plot plan or site layout) drawn to scale showing all site improvements or features such as building setbacks, location of existing trees, existing and proposed building layout, parking, fences, accessory buildings, signs, and lights.
4. Provide nine (9) sets of color samples.

Colors listed the Sherwin-Williams Color Options Palette as energetic brights shall not be allowed. Colors in the first and second tier of the chips should be allowed for trim only. Colors on pages 79-85 and 97-120 of that palette shall also be disallowed. Colors from another manufacturer that resemble the permitted colors shall be allowed.

5. Material samples should be presented at the meeting.
6. If you are a contractor or other representative submitting for review, please provide written approval from the owner.
7. The applicant, or the applicant's representative, is required to attend the Navarre Architectural Advisory Board meeting at which the request will be heard.
